## TO ALL LOCAL AGENTS AND IMPORTERS

### RE: PAYMENT FOR PERMIT FOR IMPORTATION OF TRIAL SAMPLES

Pest Control Products Board has been accepting off the system payments for importation of trial samples for pest control products.

In order to comply with the Government Directive on payments for Government services through E-citizen, all applicants are notified that all payments shall be done through the KENTRADE, Trade Facilitation Platform with immediate effect.

Other payment methods including direct deposits to the account are therefore prohibited. Only the permits which have been paid through the system will reflect on our end for processing.

The process of application for the import permit remains unchanged and the relevant documents including the efficacy trial permit/Letter of Authorization must be attached.

The procedure for importation of a trial sample has been updated on the Website <https://www.pcpb.go.ke/trial-samples-import-procedure>.
