TO ALL LOCAL AGENTS & REGISTRANTS

RE: APPROVED LABEL FOR REGISTERED PEST CONTROL PRODUCTS

Pursuant to the legal provisions set out in the Pest Control Products (labelling, Advertising and Packaging) Regulations, 2024, all local agents and registrants are required to ensure that their products are marketed with the approved labels. It has been noted that a number of companies are marketing product(s) with labels that have not been approved.

You are therefore directed to go through your product(s) on the list of registered products to confirm whether the label attached to your product(s) are approved. For those with missing labels, you are required to ensure your product(s) complies with the Pest Control Products (Labelling, Advertising and Packaging) Regulations **Legal Notice 194 of 2024 by Friday 29th May, 2026**. Please take note that those who will not have complied by the stated date will have their product(s) removed from the PCPB website and may lead to suspension of registration as per the law.

All are required to comply.
